OBSERVATIONS FROM OUR PRINCIPAL

This has been a very pleasant year without question. It has been a surprisingly pleasant year with the number of changes we have instituted.

The ability of the student body to adjust to new things like modular scheduling, no bells, and honor study hall certainly was most gratifying. The ability of our student body to conduct themselves with decorum during the noon hours when there was no logical place to go and visit was certainly appreciative.

In conclusion, I would just like to say to the student body, thank you for a pleasant year.

Swanton Alma Mater

Swanton High we proudly hail thee,
Purple and the white.
Like a beacon ever shining,
With a guiding light.

Lead us onward through golden days,
May each year passing by--
Bring glory to our Alma Mater--
Hail to Swanton High!

Symbol of our peaceful village,
Free from strife and care,
Stands our noble Alma Mater
Here for us to share.

Though these days will fade thru the years,
May memories never die.
We'll sing again our Alma Mater--
Hail to Swanton High!

THE JUNIOR CLASS PRESENTS "TAKE YOUR MEDICINE"

Doctor Bill Jackson, played by Gary Ashenfelter, was a Doctor of Philosophy and a college professor. But when his fiance, Angela, played by Sandy Keener, introduced him to her cranky uncle, Doug Gigax, she introduced him as Doctor Jackson. Immediately, Uncle Henry believes him to be a doctor of medicine. Since Angela knows her uncle doesn't like college professors and just loves doctors of medicine, and since he offered Bill $50,000 for the first life Bill saved, Angela goes along with the deception. Of course, one thing leads to another. Soon you find that the regular hospital doctor has to leave town on an emergency, and Bill is called upon to help in some of his own emergencies. All ends on a happy note, and a funny one indeed. Others in the cast were Jeff Tolford, Sonya Eddings, Dave Biehl, Becky Doren, Pam Cleghorn, Sandy Bowser, Linda Cain, Marsha Hansen, Dianne Town, Kathy Moses, Connie Russell, Kathy Barden, Janice Berkebile, and Bob Davis. Student Directors were Suzanne Quay and Bob Davis. Faculty Director was Mrs. LaFave.
